CONFIRMATION NO. 4957

FORMALITIES LETTER

OC00000009303366

Date Mailed: 12/30/2002

NOTICE TO FILE CORRECTED APPLICATION PAPERS

Filing Date Granted

An application number and filing date have been accorded to this application. The application is informal since it does not comply with the regulations for the reason(s) indicated below. Applicant is given TWO MONTHS from the date of this Notice within which to correct the informalities indicated below. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

The required item(s) identified below must be timely submitted to avoid abandonment:

- A substitute specification in compliance with 37 CFR 1.52, 1.121(b)(3), and 1.125, is required. The specification, claims, or abstract page(s) submitted is not acceptable and cannot be scanned or properly stored because:
 - The line spacing on the specification, claims, or abstract is not 1½ or double spaced (see 37 CFR 1.52(b)).

*A copy of this notice **MUST** be returned with the reply.*

PART 1 - ATTORNEY/APPLICANT COPY

An elongated tool (10) said tool-having opening at each end (14,42). Said first opening can be adjustable for colored dots or symbols. Said adjustments by any material can be held in place by glue or tape (14). Colored dots or symbols are used with shaded or colored card chart. (22), having approximately ½ inch shaded or bright colors or symbols. Said colored dots or symbols (30) are staggered throughout the card chart (22), said tool (10) is used to scan squares through opening (14) Said patient will speak where location dots or symbols (30) opening (14) tool (10). This timing coordinates the articulatory systems thus improving enunciation of words. Said second opening (42) located opposite end has lengths and height larger enough to read only one word, this will regulate rate of speed enabling patient to pronounce words more clearly.
